First General PTA meeting
(mid-afternoon)

Monday, September 27

First day of Before Care (tentative)

Back to School Night

Tyler's administrative team, led by Ms. Frentress and Mr. Bender, welcome parents to Back to School Night next Thursday evening, when you will hear more about your student's year and meet the teachers. A light dinner will be provided, but unfortunately child care will not be available.

Local School Restructuring Team

Tyler is looking for parent representatives to serve on the committee this year (to replace a parent rep who has moved away). The LSRT is a committee made up of parents, teachers, administrators and a community rep who work on school planning issues. The LSRT typically focuses on the Local School Plan and makes plans relating to curriculum, school budget, and facilities improvements. It meets once a month, in addition to a few special meetings. If you are interested in serving, please contact the PTA at tylerpta@hotmail.com or by leaving a note marked "LSRT" for the PTA mailbox in the main office. (There should be a mail box soon.) Tyler's team for this year needs to be identified by Friday, September 17th.

Eliot-Hine Collaboration Team

DCPS recently announced its plan for strengthening the Ward 6 middle schools. Students from Tyler will feed into Eliot-Hine Middle School. To implement the plan and develop a sense of community and a strong communication network among the schools, DCPS is establishing an Eliot-

Hine Collaboration Team. Parents, teachers, and administrators from Tyler, Payne, Maury, and Miner are invited to participate. Two parents and two teachers/staff from each elementary school will be team members. If you are interested in representing Tyler on the Eliot-Hine Collaboration Team, please contact Ms. Frentress (Jennifer. Frentress@dc.gov) by September 10.

Before Care

Tyler Before Care remains on track to begin on Monday, Sept. 27th, at 7am. If we can start sooner, we will. If you need Before Care this year, sign the clip board in the Main Office or email tylerpta@hotmail.com. More enrollment details soon.

Outdoor Classroom

Don't forget to come out to our first Community Planting Day, Saturday, Sept. 18th from 8am to 2pm. Come have some fun in the dirt. It's a great opportunity to meet other Tyler families and work together with volunteers from the Navy Yard to green our schoolyard. Lunch, refreshments, tools, as well as wet, fun activities for kids will be provided.
